In the U.S.

More than 37 million Americans are at risk of suffering from hunger.

Each year, 3.5 million people end up sleeping in parks, under bridges, in shelters, or in cars.

More than 1 in 6 children live in poverty.

Worldwide

795 million people—or 1 in 9 people in the world—do not have enough to eat.

896 million people live on $1.90 a day or less.

Every 10 seconds, a child dies of a hunger-related disease.

Every person deserves to live without worrying whether they’ll have food on their plate or a roof over their head. But instead, far too many people are forced to make hard choices between paying for food, housing, and other critical expenses.

HHWeek.org

Hunger and Homelessness Awareness Week is a project of the National Student Campaign Against Hunger and Homelessness and the National Coalition for the Homeless.
JOIN TOGETHER TO FIGHT POVERTY

As a society, we have the resources and knowledge to end hunger and homelessness—we just need the collective will to make these ideas a reality.

**NOV. 11-18, 2023:** Join together with people across the country for Hunger and Homelessness Awareness Week. You can help lend a hand to those in immediate need, while also supporting meaningful long-term solutions.

**WHAT YOU CAN DO**

- **VOLUNTEER.** Pitch in at your area food bank or shelter.
- **DONATE.** Support local programs with food, clothing, and money.
- **EDUCATE.** Raise awareness about hunger and homelessness in your community.
